About the Workshop

The inclusion of e-Content in learning is now inevitable. Use of multimedia has made a great impact on effective teaching learning method. Properly designed Learner Centric E-content is an important tool to convey a message to students in this 21st century digital world. This is an initiative to meet the new challenges, and to help the faculty to take the lead in this newly emerging field.

Objective

- To promote generation of e-Content in all subjects
- To gain the better understanding of designing learner centric e-content
- To develop teachers' and experts' resources in e-Content creation
